

Rules And Regulations

Revised 29 February 2020

1. Use of traps, snares, firearms, including pellet or BB guns, bows, crossbows and slingshots are prohibited in the campsite.
2. Deposit all garbage and litter in receptacle provided, at the main gate. Please burn flammable items rather than placing in the garbage receptacle. This is to be done before leaving the campsite. Garbage cans, full or empty, are not to be left in the open on campsites when the campsite isn't in use.

NOTE: All Campers are to dispose of their own fish entails at the nuisance grounds. Or they must be burned immediately or the same day. This is for your protection from the bears in our local area. The following items are not to be put in the garbage receptacle: Wood, Old furniture, Decking, Old BBQ's etc.

3. Each camper is to maintain the campsite in a condition, which is presentable and acceptable to the Camping Committee and other campers as a whole. (gardening equipment and a trailer are available for temporary use to clean your site.) Campsite inspections will be carried out by the Executive to ensure all sites comply with the lease agreement. Campers will be given written notification of violations and 30 (Thirty) days in which to comply. Society Members who receive a second letter from MLCS within a two year period as a result of not maintaining their campsite to Committee standards will be evicted. To allow time for campers to clean their campsites in the spring, these letters will not be written until 01 Jun of that year.
4. All fires should be manned at all times. They should be extinguished prior to retiring and leaving the campsite.
5. Pets will be kept UNDER CONTROL at all times while within the confines of the campground. Dogs are not allowed on the main beach area or the playgrounds at any time. If a formal complaint is lodged about the conduct of a camper's pet the owner of the pet will be notified by a member of the Executive. Failure to comply with the above mention will result in the dog being evicted from the campsite for 30 days.
6. The speed limit within the campsite is 10 km/hr. Reckless or careless driving will not be tolerated. Failure to comply with the above rule will result in the vehicle being denied access to the campground.
7. Roadways are not to be obstructed. Extra parking is available at the main gate. Non-occupied sites are not to be used for parking.
8. Registered Campers are responsible for the actions of their dependants and guests. Visitors must Sign in at the concession. Guests staying for any length of time in a Campers trailer (s) do so free of charge. Visitors with boats will pay Boat launch Fees.
9. Society Members will be allowed to have guest camping units on their site providing all conditions below are met. Those conditions being:

Rules And Regulations

Revised 29 February 2020

- a. Campsites shall not be enlarged or developed in any way to accommodate additional camping units, sheds, decking, car ports, coverage for fire pits, boat trailers, gazebos and tarps.
 - b. Guests bringing in their own camping unit shall pay daily camping fees;
 - c. The duration of the Guest's visit shall not exceed 14 days;
 - d. Guests shall not infringe on adjacent campsites, i.e., parking of vehicles, boat trailers, campers, etc.; and
 - e. Campsite guests shall have a sticker, tag or card issued by the Concessionaire indicating the dates paid for. This placard must be displayed in such a manner that it's clearly visible from the road.
10. Vehicle use of the launching ramp is limited to actual launching of watercraft. Vehicles and trailers must be cleared from the launching area immediately following launching. Park in designated areas only.
11. Seasonal boat launch fees are applied against the individual, not the individual's watercraft. This will allow an individual to launch and use more than one specific watercraft over the course of the season. The seasonal boat launch fee applies to one watercraft at a time, i.e., an individual with more than one watercraft in the water at the same time will either have to pay additional seasonal boat launch fees, or additional one time boat launch fees.
12. Watercraft are not permitted in the area reserved for swimming. Watercraft operators should be particularly alert for swimmers at all times. High speed or similar "show-off" operation of watercraft in the vicinity of the campsite will not be tolerated. Water skiing is not permitted within 50 (fifty) ft. of the swimming area or the boat launch/dock areas. Owners of watercrafts are advised that Marie Lake is patrolled on a regular basis by the RCMP as well as the Fish and Game authorities. All Federal and Provincial laws will be adhered to.
13. Individual MLCS Society Members may moor boats using temporary boat buoys and / or anchoring systems along the shoreline from the south boat launch, north to the shoreline adjacent to the park at Scenery Circle where the grade of the bank increases, excluding the swimming area. The shoreline from this area north to the north boat launch is prone to erosion and in an Environmental Protection Zone, and is not to be used for mooring of boats. All individual boat buoys and / or anchoring systems are to be completely removed at the end of the active camping season. No boat lifts will be authorized.
14. Quiet hours are from 11:00 PM to 7:00 AM daily. Power generators and chainsaws are not to be operated during quiet hours.
15. Operation of off-highway vehicles (OHVs), which includes but is not limited to ATV's, ATC's, trail and dirt bikes, golf carts and snowmobiles, are allowed within the campground and must travel using the main roads only. They are permitted to travel in both directions on one-way roads. Entrance and exit to/from the campground must be made via the main gate. A minimum of one functional headlight shall be installed on the OHV and in use when travelling from dusk to dawn. All OHVs must abide by Provincial Laws, this includes the operator being 16 years of age or older and in possession of a valid driver's licence. Operators who are under the age of 16 must be fully supervised by an individual with a valid driver's licence. They must

not exceed the campground speed limits of 10 km/h. The number of permissible passengers shall not impede the operator's vision or control of the OHV. Passengers shall be seated on installed OEM or aftermarket seats, or if available, passengers may be safely seated on the floor of the vehicle's cargo area. The safety of the operator, passengers and pedestrians is paramount to the convenience of operating an OHV within the campground. If a formal complaint is lodged about the misuse of any OHVs, a member of the Executive will notify the owner. Failure to comply will result in the vehicle being banned from the campground."

16. The main beach area and shoreline is open to all campers. Common courtesy should prevail and people should use the beach as much as possible.
17. NO ALCOHOLIC BEVERAGES are to be consumed on the main beach area.
18. Swimming is only permitted in the designated area and not allowed in, and around the boat dock/launch areas. Children are not to be left unattended in the swimming area as there is No Lifeguard on duty at any time. Swimming area buoys are not to be tampered with in any way.
19. Cutting of standing trees/overhanging branches/shrubs/overgrown alders is not allowed without approval of an Executive Committee Member.
20. No campsites are to be developed without the approval of the Campsite Executive. This includes decks, fences, buildings and any other improvements.
21. When a camping member terminates his lease, the site will be cleaned to the original state. On approval of the Executive the "Clean-up Deposit" will be returned. The site will then be declared an open site.
22. All complaints can be made, by filling out the Complaint Form in detail, which can be obtained from the Concessionaire and then given to an Executive Member for their action. Suggestions are always welcome.
23. Requests to hold "Section" or other large party/ BBQ at the campsite must be approved by the Executive.
24. Campsites will NOT be leased, rented or loaned to persons who have not reached the legal age of majority. Members shall Not permit use of their campsite by unsupervised minors.
25. All Registered Society Members/Spouses/Significant Others must have a total 10 overnight stays in their own campsites during the current Active Camping Season, which begins at the start of the May Long Weekend to the end of the September Long Weekend. To ensure compliance of this rule, all Registered Society Members or their Spouse or their Significant Other (no dependants) will sign IN and OUT in the Campsite Registration Book which is located in the Concession to confirm your 10 overnight stays. Once your total reaches 10 overnight stays you will no longer be required to sign IN or OUT. Written/email submission will be required by members in violation of this rule stating the circumstances for the Committee to review. Membership status may be re-considered depending on the findings/rulings of the Committee.

Marie Lake Camping Society

Rules And Regulations

Revised 29 February 2020

26. The Smoking of Cannabis and/or Cannabis Products is restricted to the Society Member's personal campsite. The only inclusion will be when another Society Member allows/permits the individual to smoke Cannabis and/or Cannabis Products in his personal campsite.
